

BEGINNING FASHION DESIGN FOR YOUNG ARTISTS

Instructor: Olivia Batchelder phone number 949-497-2703

The child should be able to handle scissors and cut cloth with them. We will practice sketching and designing clothing for a doll. We will make patterns by draping and flat pattern method, and then cut out pieces from fabrics furnished by fashion designers. Each child will make several outfits for the doll she brings to class, stitched by hand.

Supply list:
